# EXPERT HANDLING EXPERT HANDLING

No matter what the shape, size or scope of your special shipment, Marimed Group can handle it properly. From components of an entire power plant to aircraft parts, you'll find the experience, equipment and services you need to move your cargo safely and efficiently.

Marimed Group provides the specialised expertise such as logistics capabilities, precise timing, wide geographical knowledge, and global connections to coordinate project cargo movements from origin to destination.

Our skilled, professional workforce is experienced in every aspect of the specialized rigging, crating and handling of special shipments.

EXPERT HANDLING

# THE BEST SOLUTIONS THE BEST SOLUTIONS

THE BEST SOLUTIONS

To meet the needs of our project cargo and heavy lift customers, Marimed Group offers you the best solutions:

- Site survey / feasibility studies (routes, weather, political climate).
- Full / part charter party's (time / voyage charters).
- Multi-modal transport (truck, rail, tug & barge, heavy lift).
- Special equipment transport (flat racks, open tops, platforms, artificial tween deck solution). Packing solutions. Freight negotiation (long term rate validities).
- Administration (customs clearance, trade documentation).
